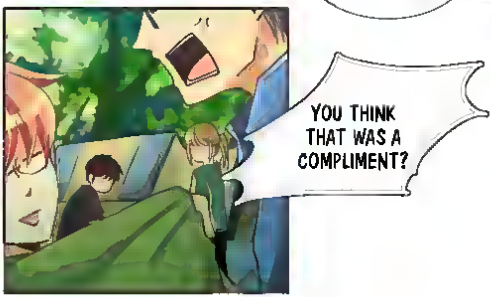
COLLAPSE
!?

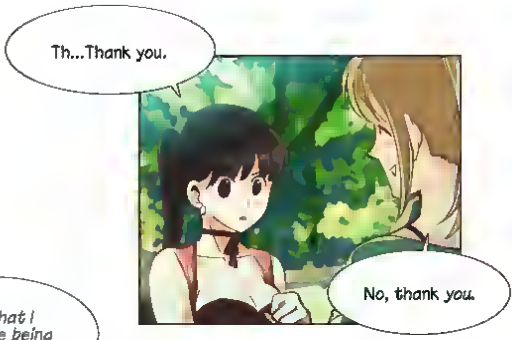
Eh?
Ehhh?

JUST HOW ON EARTH DID YOU MANAGE TO DESTROY SOMETHING...
THAT WAS COMPLETELY MADE?!
Hehe, it's nothing much...



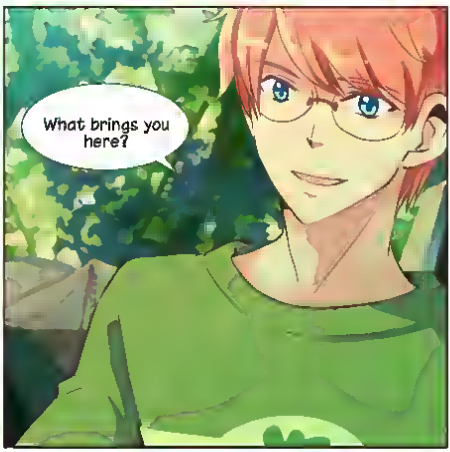
YOU THINK THAT WAS A COMPLIMENT?

LEAVE IT, IT WAS STUPID OF ME TO PUT YOU IN CHARGE OF IT.
DON'T DO ANYTHING AND GO WRINKLE YOURSELF UP IN THE CORNER!
That person's been getting yelled at all day today.
He's not a bad person...
But he's the type that's somehow mediocre?
shuffle
He's not mediocre!
He's just a bit clumsy!
He works harder than anyone if you look more closely.
Wow, Ari-ssi looks super cute! That really suits you.



Th...Thank you.
No, thank you.

Not that I don't like being complimented...
But if the person who complimented me was...
Ah! It's Ari-nuna!

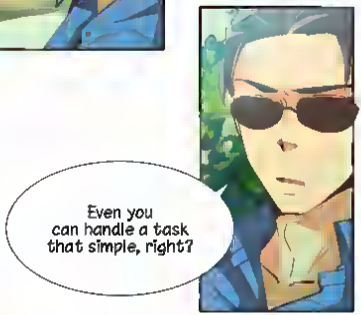


What brings you here?

I was just worried about how you were doing...

Well... I do what I can... but it's not really going well.
Don't come near here!!
Ouy!

If you really have nothing better to do,
go run to the office and fill some water bottles.



Even you can handle a task that simple, right?

Yes-

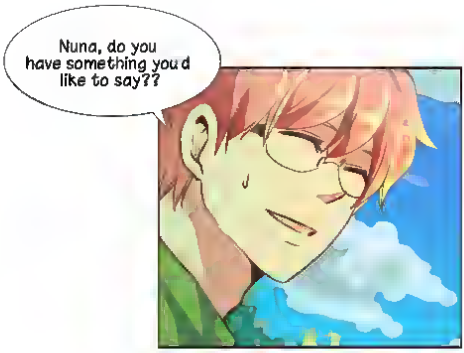
Dear, Only You Don't Know!

season2

Women; Hide Your True Feelings! 9

Swim Suit Swim Suit Look at my swim suit!!!
I went on a diet, shaved, and got a skin care treatment just for today!!
Look at me, me! Look at me right now, please -



Nuna, do you have something you'd like to say??

Huh???

Not really... Just that...

That antenna guy back there... Was that Ian-ssi?
You said he's your roommate, right?
Yeah, why?

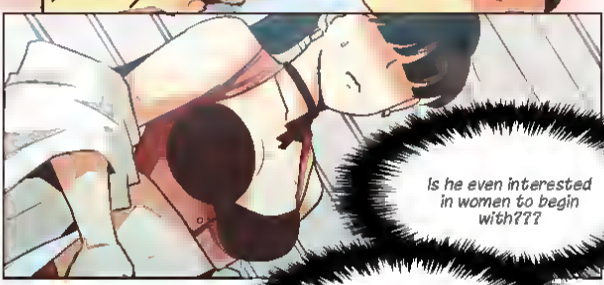
It's just... He seems to have a temper, too,
so I was surprised he puts up with a trouble-maker like you.
You dummy, take a look at my swim suit ...
Hyung's expressions do make him look cold at first glance,
and to be honest, he's more on the logical side...
How should I put it... When he worries about something, he thinks about that one thing incessantly...
So he's the kind that prefers shouldering the problem all on his own even if he has to suffer.
????
So what you're saying is that he somehow feels guilty about you, so he's putting up with living with you?
No, that's not it...
To borrow the President's words...
An abandoned dog! is what he's like.
...What's that about???!!!
What happened to his dignity as a human?

How does this kid get more mysterious the more I get to know him?

When I think he's dull, there's something sharp about him.

When I think he's stupid, there's something smart about him.

And when I think I'm getting to know him pretty well, I find out he's just full of secrets...



Is he even interested in women to begin with???

How could he not say a single word when I've been trying so hard to impress him?

He's definitely stupidstupidstupidst

Is it really alright to date someone so dense?
No no no, we're not even dating yet so why am I getting ahead of myself???
He has no idea of it, yet my thoughts are running wild!!!
I'm suddenly embarrassed...
I'll head back first.
Huh? Hold on...

Here!
Reach
? What's the hand for?
It's heavy. Give me the water bottles.
Not really... I can carry this much.
I'll go first so you wait for those to fill.
...

I'm not sure why you're so stubborn about things like this, but...

You always do everything yourself, Nuna.
Since the task was given ta me, i'll do it.

THEN YOU COULD'VE TOLD ME SO SOONER!!
shout
I don t have the confidence to beat you with words.

What s with him!! He needs to stop playing around with a person s heart!!!
Does he really not know my feelings at all??
No, no!! Even if he did notice something,
this is a problem of whether I say it out loud or not!!
In the worst case scenario, I can simply claim that he s misunderstonding things.
So I will never say it first! The moment I do that is when I start becoming an easy woman!

I have to seduce him without confessing during this Unity Camp!!

But I really thought this swim suit would be the ultimate weapon.
Just what am I supposed to do when he doesn't even budge...
